

PUBLIC NOTICE OF PROPOSED SOIL AND GROUNDWATER CLEANUP

In accordance with Arizona Administrative Code R18-12-264.01, the Arizona Department of Environmental Quality (ADEQ) is providing notice that a Corrective Action Plan (CAP), submitted by Phyllis Swanson, dated December 29, 2005, has been proposed for the remediation (i.e. cleanup) of soils and groundwater that have been contaminated with petroleum as a result of a leaking Underground Storage Tank (UST) system at the following facility:

**LUST No. 1789.01-.07
Facility ID No. 0-006755
Yavapai County**

**Former Guadda/Gurley Service Center
1005 East Gurley Street
Prescott, Arizona 86301**

Mobile Multi-Phase Extraction System:

Existing soil and groundwater contamination at the referenced site will be remediated using a mobile multi-phase extraction system. Mobile multi-phase extraction is a technology that periodically uses mobile vacuum trucks to remove various combinations of contaminated groundwater, separate-phase petroleum product, and hydrocarbon vapors from the subsurface. Contaminated groundwater will be removed from the saturated rock/soil, while hydrocarbon vapors are extracted from the dry rock/soil and the de-watered rock/soil. Extracted liquids and vapors will be appropriately treated and discharged in accordance with all of the applicable permits. To evaluate the effectiveness of the system, periodic monitoring of contaminant levels will be required by ADEQ. Once contaminant levels decrease to below cleanup standards, the site may be eligible for closure.

A copy of the CAP is available for review during normal business hours at the ADEQ Records and Library Review Area, 1110 W. Washington Street, Ste. 140, Phoenix, AZ 85007 and at the Prescott Public Library, Gateway Mall, 3250 Gateway Boulevard, Suite 212, Prescott, Arizona 86303. ADEQ encourages public participation in UST corrective actions and welcomes comments on the proposed CAP. A public comment period is in effect from March 15, 2006 through April 21, 2006. Comments should be submitted in writing by April 21, 2006, to ADEQ/TPD Corrective Action Section/SIRU II, Attention: Mike Harren, 1110 W. Washington Street, Phoenix, AZ 85007. If sufficient public interest has been demonstrated during the public comment period, ADEQ will announce and hold a public meeting. ADEQ will respond to comments in writing, following the public comment period. For more information on this notice, please call Mike Harren at (602) 771-4285 or (800) 234-5677, ext. 771-4285.
